Subject: Notice of File Closure for Small Mining Project, Bear Lake State Park,  
Garden City Project, S/033/003, Rich County, Utah

Dear Mr. Gray:

This letter is to notify you that the Division file, S/033/003, for the Garden City project, located in Rich County, Utah, will now be closed.

A site inspection performed on September 2, 2004, determined that reclamation work is satisfactory and the permit can now be closed and the file retired.

You are hereby officially released by the Division from this small mining permit. You are not required to pay the \$150.00 permit fee as recently requested. If you wish to resume mining activity at this site at a later date, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, submit adequate reclamation surety, and receive written approval(s), prior to creating any disturbance.

Thank you for doing the necessary reclamation work at this site. If you have any questions or concerns regarding this action, please contact me at (801) 538-5310.

Sincerely,

Lynn Kuhzler  
Senior Reclamation Biologist
